

## Where does our Meat come from?

Buckmoorend Farm produces exceptional quality pork, beef and lamb, available for sale from our farm shop. To do this, we have to put the farming first. It's how we maintain our reputation for our fabulous tasting meat.

Buying local food means it travels less distance to you. It also means we can carry on farming using traditional methods without intensifying our production - it's better for the animals and it encourages growth of all manner of wild flowers and natural grasses. Social benefits also lie at the heart of what we do.

## Where do our Turkeys come from?

As in previous years we obtain our tasty and succulent turkeys from the Pearce Family in Stoke Mandeville.

All turkeys are free-range and reared in accordance with the strict welfare standards of the Traditional Farm Fresh Turkey Association.

They are only fed high quality cereal and are matured slowly on grass to develop a succulent, fuller flavour. All turkeys are provided oven ready in a box. Please note although we will do our best to meet your preferred weight, turkeys like elves & reindeers, come in all different shapes & sizes and their final weight cannot be guaranteed.

## How much do I need?

We recommend approximately 250g boneless meat per person or 500g with the bone in.

E.g. for 10 diners a 5kg turkey will suffice.

However, don't forget the sandwiches!

With vegetables it will depend on the different varieties, but we are happy to advise.

## Deposit

We kindly ask for a 50% deposit for the meat only.
